# The Diviners

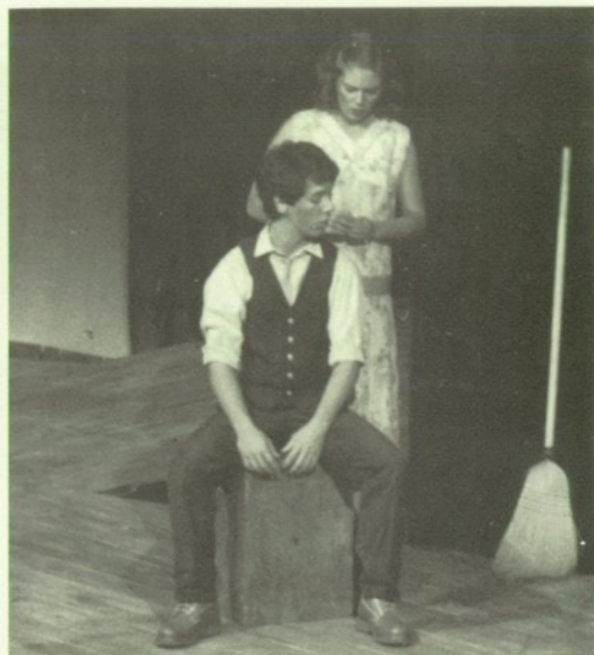

The Skywriters

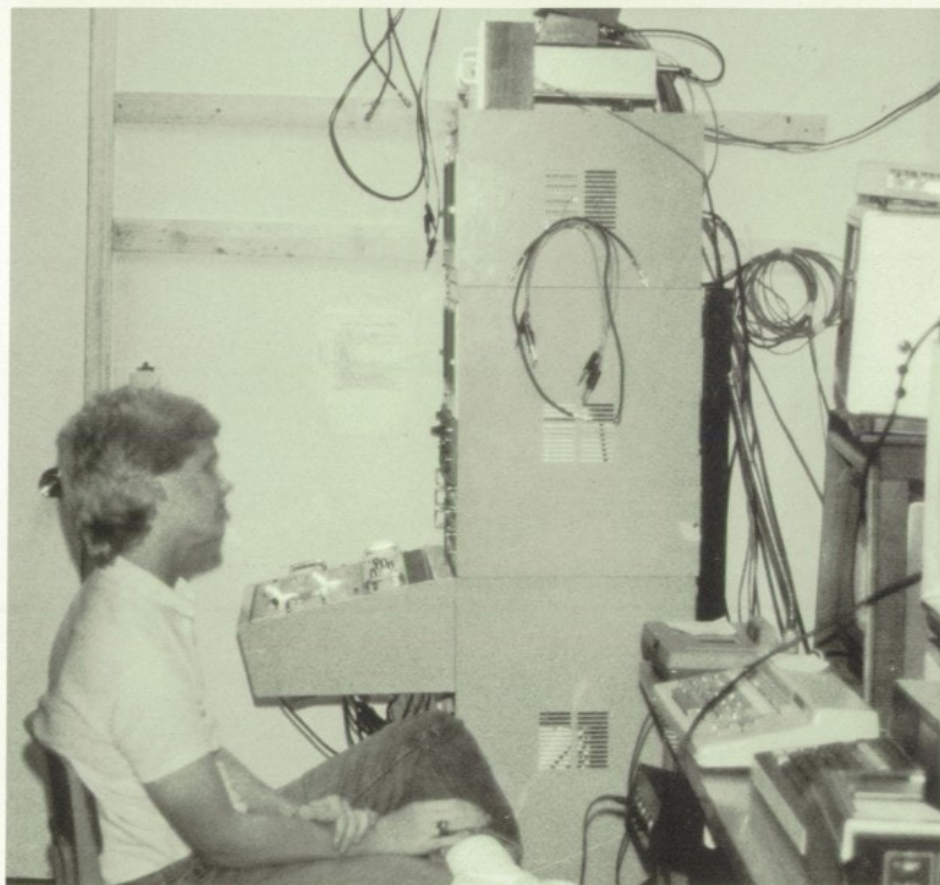

This year's fall play, "The Diviners" was unlike many other productions of the Poplar Pike Playhouse. The play had little scenery, and concentrated more on the characters of the story than usual. The success of "The Diviners" depended on the talents of the actors, and they did an excellent job.

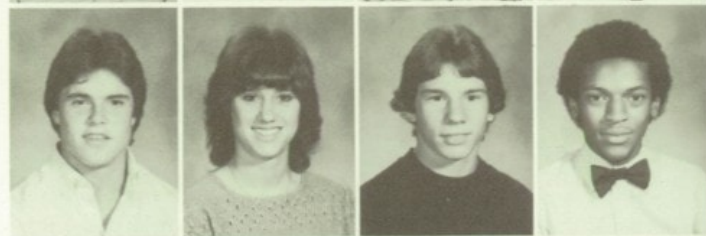

Top Picture: 1st Row: Amy Savell, Candy Nedrow, Alice Batt, Cathy Fisher. 2nd Row: Kin Ray, Kevin Holliday, Kelly Shoemaker, Nikki Robertson, Eric Scott, David Bryant, Tiff Taylor, Kim Smith, Rosie Gregory, Mary Mims, Becky Reaves, Tony Marinella. 3rd Row: Chris Crye, Chris Parnell, Margie Burrus, Frank Stock, Rob Manuel, Danny McCleary, Jeannie Massey, Karen Keadle, Roger Breakstone.

The Video Devils have proven themselves this year with their many achievements. Even though the club is relatively new, they have their own Germantown Cablevision station which they use to broadcast some of the many goings-on at the school such as pep rallies, football games, Junior Miss, and many others. Without Channel 7, the community would be lacking the opportunity to see what actually goes on at Germantown.
